DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Lyons on 10/13/04.

The application has been amended as follows:

For Claim 11:

- In line 7, replace "to a body" with --to the body--
- In line 11, delete "pierced"

Allowable Subject Matter

Claims 1-5, 7-12, and 14-19 are allowed.

As to claims 1 and 15, the Applicant has rewritten dependent claims, previously indicated as objected to for depending from a rejected base claim, in independent form. Therefore, claims 1 and 15, and the claims depending therefrom, are also allowable.

As to claim 11, the Examiner previously indicated that claim 13 would be allowable if rewritten in independent form including all of the limitations of any intervening claims, and upon correction of the claim to remedy any reason for rejection under 35 USC 101. The Applicant has incorporated the limitations of claim 13 into independent claim 11 (which makes new claim 11 equivalent to claim 13 being rewritten in independent form) and also, has clarified new claim 11 to overcome the rejection under 35 USC 101.
